## 2024 Summer Meeting

August 21-23, 2024  
Radisson Hotel La Crosse  
La Crosse, WI

**As a metering professional, you are invited to the 2024 Summer Meeting of the Upper Midwest Metering Association (UMMA) at Radisson Hotel in La Crosse.**

### **Who & What is the UMMA?**

The UMMA was formed in the mid-1990s by several electric utilities in the five-state area that had a desire to share information, education and experiences relating to electric revenue metering. The group meets twice a year and is open to electric metering supervisors, technicians and electricians of all Co-op, IOU, and Municipal utilities.

Our members come from every size utility, some having more than 40 years of metering experience. Even if you have never joined us before, you are welcome to come and tap into this wealth of knowledge.

Come join us for some excellent roundtable discussions, networking, and training on a huge variety of electric metering topics. Bring your questions, bring your metering problems, bring your enthusiasm!
